

**TRANISTONE**

# TRANI

Nothing compares to the classic beauty of natural stone – from granite and marble to travertine and slate, stone adds an elegant touch of distinction and brings a rich and timeless ambience to any room.

Today, improvements in digital inkjet technology has allowed tiles to mirror natural stone with less maintenance and increased durability.

Soft, pared-back colours - distinguishes TRANI porcelain series from the rest. TRANI strikes a more tranquil tone - a telltale sign of surrounding coastal vibe reminiscing Romanesque soul seeps into five gorgeous neutral shades.

# TRANI **ASH**

Neutral Ash carries a pared-down look that's anything but austere. Its subdued shade provides a wonderful backdrop to bolder decor.

## OUTDOOR APPLICATION

### TRANI **ASH**

Allowing the sunlight to brighten up the indoors, Ash absorbs & diffuses harsh sunlight - inviting in soft warm feel into the indoor space and blurring the indoor-outdoor hierarchy in the process too.

# TRANI **CINDER**

Cinder's sublime beauty lies in its soft, natural shade and its versatility to accommodate a range of design styles - evoking an exhilarating atmosphere with its neutral grey tone.

# LIVING ROOM

## APPLICATION

### TRANI **CINDER**

With just the right amount of grey, Cinder's aesthetic appeal lies in its ability to turn any dull space into arresting interior space.

# TRANI **TAUPE**

Taupe's neutral shade offers the ability to evoke a different feel for a spectrum of different undertones - warmer with hints of red or cooler with hints of blue, making it extremely versatile and timelessly popular.

## COMMERCIAL APPLICATION

### TRANI **TAUPE**

Taupe works wonders for commercial interiors across all styles. It breaks the norm of preference for grey & white neutral alternatives - resulting in a spatial mood with a softer touch.

# TRANI COAL

Irresistible earthy dim shade of Coal with hints of mild sandblasted texture - evokes a timeworn feel, in addition to providing a coalescent of tranquil ambience, visual and tactile comfort.

## RESIDENTIAL APPLICATION

### TRANI **COAL**

Give a drab space with a new sense of life with a pop of dusky Coal. Round out your living room oasis with a touch of modern and pop sensibility paired with vintage pieces - it winds up all making sense.

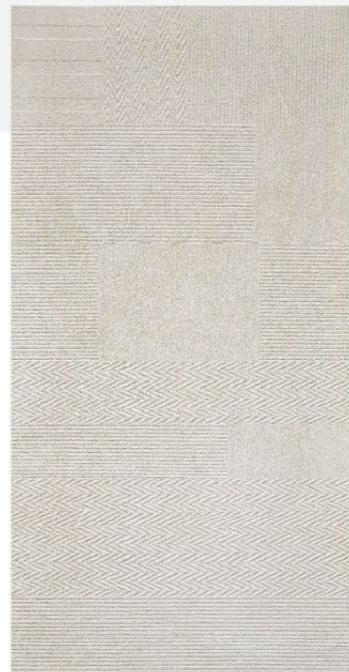

# TRANI **BEIGE**

Affectionally styled as Cosmic Latte, this pale sandy fawn tone breathes warmth into the space it confines. Often preferred for its ability to accentuate decor pieces - while basking in its glorious form in the background.

## **BATHROOM** APPLICATION

### TRANI **BEIGE**

Beige blends elegance with comfort, sparks joy to dimly lit space, and being the lighter shade - it holds the power to subdue claustrophobic effects by expanding the spatial comfort through visual illusory tricks.

# TRANI
